

### Covid-19 Updates Below:

Please know that we plan to do everything that is necessary to prevent the spread of this virus and make sure our guests feel safe and comfortable traveling to our lodge. We have increased our sanitation procedures and are asking for your help in the following ways:

- The lodge will be open for retail but otherwise closed. We encourage use of hand sanitizer, protective face masks, and one family/group allowed in at a time. You can shop retail online and we will be offering pick-up if you feel more comfortable keeping your distance. We will also offer a take-out menu starting May 22. Be sure to look for the menu and retail on our website.
- **We are encouraging guests to bring their own blankets/sleeping bags.** We will provide sheets, towels, and pillows.
- We have removed all games, puzzles, and books from the cabins. We suggest bringing your own or you may check-out games from the lodge.
- **Please respect the check-out time of 10:00am** so we can adequately disinfect the cabin before the next arrival.
- Kayaks, Canoes, Paddleboards, Life Jackets, and Paddles will be sanitized before they are put away.
- All three grocery stores in the town of Grand Marais are a 2-3 hour wait time with curbside pick-up only. **We highly suggest bringing all groceries with you (including charcoal if you plan on grilling out).**

We look forward to sharing our piece of paradise with you! However, please stay home if you are sick, be proactive about hygiene, and practice physical distancing.

We are wearing a mask for you, please wear one for us.

If you have any questions or concerns please feel free to call us at 218-388-2232 or e-mail us at [info@visitloonlake.com](mailto:info@visitloonlake.com).

Respectfully,
