

Covid-19 Updates Below:

Please know that we plan to do everything that is necessary to prevent the spread of this virus and make sure our guests feel safe and comfortable traveling to our lodge. We have increased our sanitation procedures and are asking for your help in the following ways this winter:

- **The Shack is the only cabin open on the entire property** so you should have no problem social distancing and remaining virus-free. However, if you go out on a ski trail or inside any businesses please wear a mask and be proactive about hygiene. If you are sick, please stay home. (The lodge and restaurant are closed all winter).
- **We are recommending guests bring their own comforters/sleeping bags.** We will provide sheets, towels, pillows and a light fleece blanket.
- We have removed all games, puzzles, and books from the cabins. We suggest bringing your own.
- **Please respect the check-out time of 10:00am** so we can adequately disinfect the cabin before the next arrival.

We look forward to sharing our piece of paradise with you!

If you have any questions or concerns please feel free to call us at 218-388-2232 or e-mail us at info@visitloonlake.com.
